1. How to get your D-U-N-S number (via Phone/PC/Laptop)

Go to Duns & Bradstreet (https://www.dnb.co.uk/) from your phone or PC

image-1621422072591.png

Click on '**D-U-N-S Number**'

image-1621422130003.png

Select '**Get a D-U-N-S Number**'

image-1621422164911.png

Select where your business operates from e.g England

image-1621422333394.png

Tick the appropriate answer for **Companies House**

image-1621422657869.png

Click '**Find my D-U-N-S Number**'

image-1621422786959.png

Search either by **Company Name** or **Company Registration Number**

image-1621423101668.png

Then click '**Search Now**'

image-1621423151350.png

Select your company

image-1621431944054.png

Then enter your first & last name and email address

image-1621432378202.png

Image not found or type unknown

Click '**Submit**'

image-1621432609086.png

Image not found or type unknown

You will then get an **email** which you **provided** with your D-U-N-S Number.

image-1621432540720.png

On the **email** you will see the **D-U-N-S Number**. You will need this for the '**How to create an Apple Developer account**' document.
