4. How to add us as ADMIN to your Apple Developer Account (via PC/Laptop)

Login to your Apple Store Connect account (http://appstoreconnect.apple.com/login)

image-1621417410513.png

Select 'Users and Access'

image-1621417504931.png

Click on the blue plus sign

image-1621417573798.png

Add the first & last name and email as seen **exactly** below

image-1621417652419.png

For the 'Roles' you want to tick '**Admin**'

image-1621417884515.png

Once you have have entered the details and ticked Admin you want to click 'Invite'

image-1621417853079.png

We will then get an invitation to join your Apple Developer team as **ADMIN**
