How to make us ADMIN on your Apple Developer Account (via PC/Laptop)

Login to your Apple Store Connect account (http://appstoreconnect.apple.com/login)

image-1621417410513.png

Select 'Users and Access'

image-1621417504931.png

Click on the developers name that will show as **'App Manager'**

image-1621420244544.png

The '**Roles**' will appear as below

image-1621420526098.png

You will need to tick '**ADMIN**'

image-1621420607364.png

Once you have ticked '**ADMIN**' top right click on '**Save**'

image-1621420714202.png

We will then appear as '**ADMIN**' and have access to updating the app
