

How to Transfer App from One Apple Account to Another Apple Account

Login to your Apple Store Connect account (<http://appstoreconnect.apple.com/login>)

image1621417410513.png

Click on 'My Apps'

Then click on your app

On the left click on 'App Information'

General

App Information

Pricing and Availability

Scroll down to 'Additional Information' and select 'Transfer App'

Additional Information

[View on App Store](#)

[Transfer App](#)

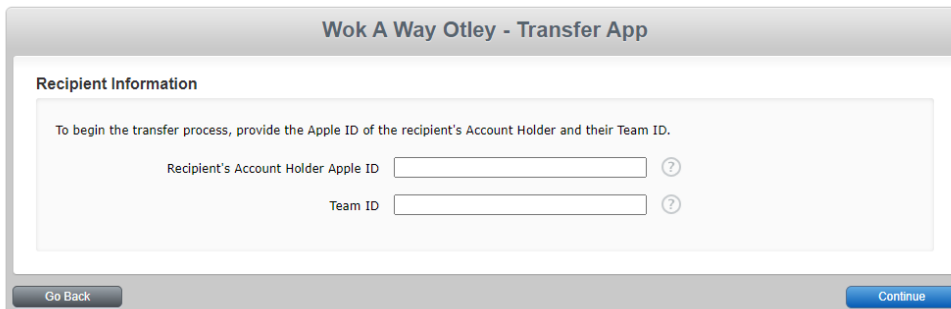

[Edit User Access](#)

[Remove App](#)

You will see a load of text just scroll down to the bottom and click 'Continue'

You will then need to add the App ID and Team ID

A screenshot of a dialog box titled "Wok A Way Otley - Transfer App". Inside the dialog, there is a section titled "Recipient Information" with the instruction: "To begin the transfer process, provide the Apple ID of the recipient's Account Holder and their Team ID." Below this instruction are two input fields: "Recipient's Account Holder Apple ID" and "Team ID", each followed by a question mark icon. At the bottom of the dialog, there are two buttons: "Go Back" on the left and "Continue" on the right.

I have provided the Team ID and Team ID at the top of the email
