# How Customers Use Loyalty Points Instore

**Choose Delivery or Shop as normal**

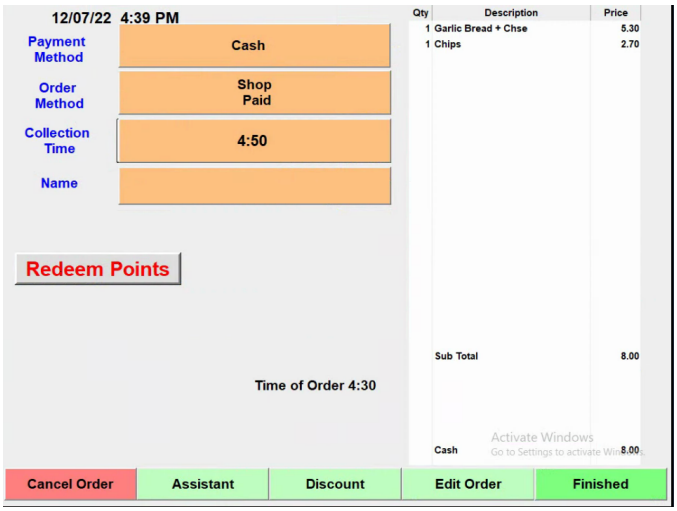

**Enter the order as normal aswell**

**Click 'Next' to go to the payment screen**

**When on the payment screen you will see 'Redeem Points'**

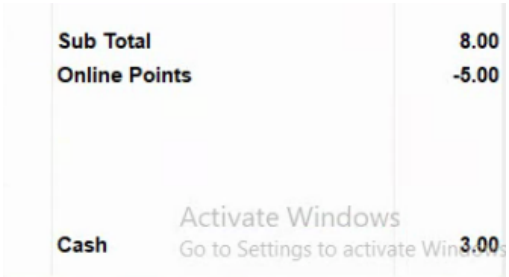

## Click 'Redeem Points' so it goes blue

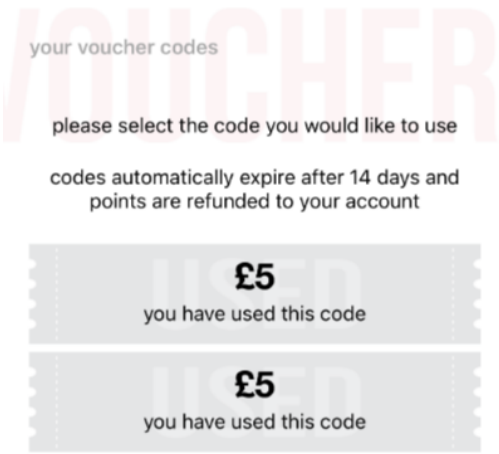

## Ask the customer to present the QR code once they have created a voucher

## Scan the QR code using the barcode scanner and it will deduct the voucher amount

**The voucher will then show the customers app as expired**
