Setting Up Offline Points

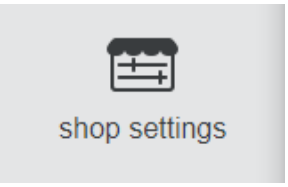

(myInteger, inTouch & Barcode Scanner)

OfflinePoints requires a Barcode Scanner

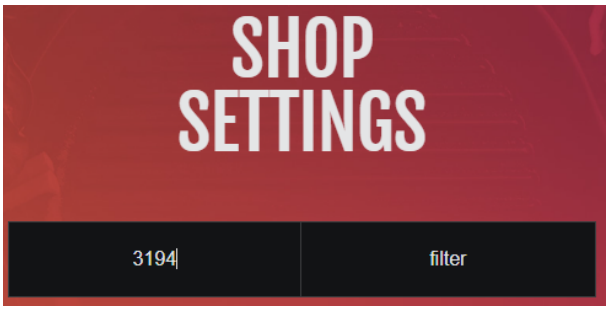

There are three steps to setting up OfflinePoints. Enable UAC_OfflinePoints via myInteger (UAC_PointSystem is required), tick Instore Loyalty via InTouch and plug your barcode scanner in. The QR code appears at the bottom of the receipt next to 'Download Our App'

Step One

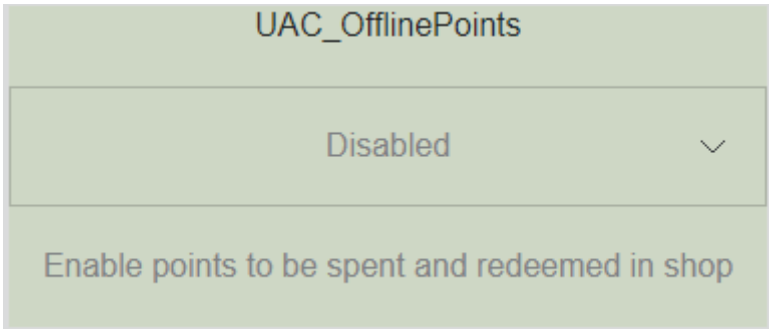

On myInteger go to 'Shop Settings'

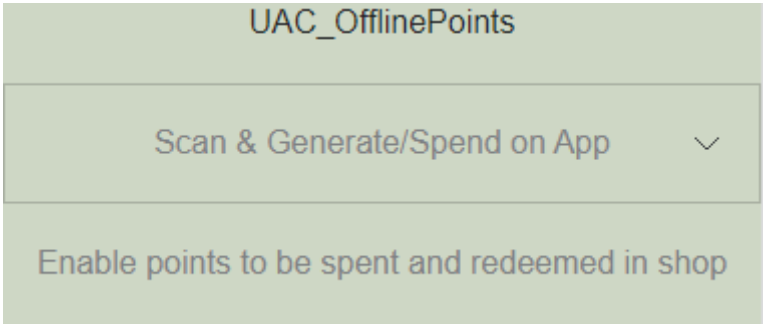

Enter the license number

Type in UAC_OfflinePoints

Then select 'Scan & Generate/Spend on App'

Step Two

On inTouch first go to ‘Management’

image-1613146419137.png

Image not found or type unknown

Then ‘Occasional Menu’

image-1613146980269.png

Image not found or type unknown

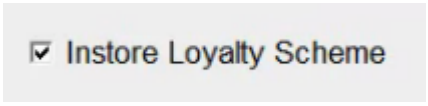

And then go to 'Internet Options'

Internet Options

Go to the 'Sundry' tab

Tick 'Instore Loyalty Scheme' at the bottom

Click 'Finished'

And 'Main Menu'

Step Three

Unbox your barcode

Then plug it into an available USB port
