How to Add Selling Prompts

On inTouch first go to ‘Management’

image-1622019487142.png

Then ‘Occasional Menu’

image-1622019458429.png

Click on 'Selling Prompts'

image-1628774567990.png

You will then see 'Post-order Prompt'

image-1628774658422.png

You Click in one of the empty boxes

image-1628774714001.png

In top right enter your selling prompt. For example 'Do you want a drink with your order?'

image-1628774926832.png

Once you have entered your selling prompt select the items that are included. For example Drinks

image-1628775122180.png

Then click on 'Finished'

image-1628775167827.png

All the selling prompts will appear in these boxes

image-1628775210892.png

The selling prompt will appear just under the basket on the website

image-1628776046621.png

They don't appear on the app or mobile browser
