How to enable 'Automatically Accepts' Internet Orders

On inTouch first go to ‘Management’

image-1622019487142.png

Then ‘Occasional Menu’

image-1622019458429.png

Click on 'Internet Options'

image-1622019428176.png

Go to 'Program'

image-1622019517081.png

In first box on the left 'Orders Received'

image-1622019712054.png

Bottom of the box you will need to tick 'Automatically Accepts'
