How To Create A Promo Code via myInteger

On your browser go to myInteger (https://my2.integer2.co.uk)

image-1631543732076.png

Hover over 'Promo Codes'

image-1631543812368.png

Click on 'Add a Code'

image-1631543924395.png

You will be brought to this screen.

image-1631544045492.png

First enter the code you wish to use for example PIZZA10 or if the code is for a specific customer click 'here' to generate a code.

image-1631544175825.png

Below that is 'Restrict Code' will allow you to choose how the code works whether to exclude meal deals or allow full discount.

image-1631545420104.png

By default 'Set Time Limit' is set to 'Never Expires' until disabled or you can choose the 'From Date' and 'To Date'.

image-1631545610254.png

By default 'Select Your Days' is set to 'Every Day' or you can choose specific days.

image-1631545760894.png

Keep 'Filter' option set to 'No Filter' unless you are creating a code for a specific customer and you have their email.

image-1631545965252.png

'Use Per Email' allows you to only the customers to use the code a specific amount of times. If the code is for a specific customer then this option is useful.

If you scroll to the top now and on the right you will see 'Minimum Spend'. Here you would enter 500 (£5.00) or 1000 (£10.00) minimum 100 (£1.00).

image-1631546461212.png

Image not found or type unknown

Choose whether the code is All orders, Collection or Delivery

image-1631546596864.png

Image not found or type unknown

By default 'App Only?' is set to 'App or Website'

image-1631547030354.png

Image not found or type unknown

Not only can you choose to discount an amount but also set it to be a 'Free Item'*

image-1631547458584.png

Image not found or type unknown

***With 'Free Item' select the course and the item itself for example garlic bread.**

image-1631547819019.png

Image not found or type unknown

Choose whether 'Percentage or Fixed Amount'.

image-1631547987279.png

Image not found or type unknown

Once you have selected one of the above you would enter the percentage or amount. For example 20% just enter 20

image-1631548687041.png

Image not found or type unknown

'Qualifier' is only for if a required item* is needed in the basket to get the discount.

image-1631548723061.png

Image not found or type unknown

***With 'Required Items' select the course and the item itself for example Margarita Pizza.**

image-1631548927603.png

Image not found or type unknown

Once you have entered the code etc then click 'Save'

image-1631548849414.png

Image not found or type unknown

The discount code will then appear in 'Your Codes'
