[analysis 33.jpg](#)

Image not found or type unknown

The reports shown on analysis are adaptive and only show if there is information in the time period you have chosen. For example if you choose a Time period for when you have no data it will show no reports. Also some of the reports will only show if you have certain things enabled for example the staff login times report will only show if you have staff login and logout enabled.

Looking at previous days takings information.

First go to "Management"

[image-1613651051209.jpg](#)

Image not found or type unknown

Then "Occasional Menu"

[audit 2.jpg](#)

Image not found or type unknown

Choose "Order Review"

[Order Review 1.jpg](#)

Image not found or type unknown

You will have a calendar with Dates on there.

[Order Reveiw 2.jpg](#)

Image not found or type unknown
