Hiding Choices within an Item

In this example I want to hide the Sauces when '2 Lemon & Dill Salmon' is selected

image-1613642195700.png

On inTouch first go to ‘Management’

image-1613146419137.png

Then ‘Occasional Menu’

image-1613146980269.png

And click ‘Menus’ at the top

image-1613147152669.png

Select the item where you want to hide a choice

image-1613585371825.png

You will then see ‘Details’ top right

image-1613147466838.png

In this example I want to hide the Sauces (311) when '2 Lemon & Dill Salmon' (211) is selected

image-1613586945291.png

Work out which choice number the Sauces are. In this example it is choice 3 (use the column number to help work it out)

image-1613587837761.png

In the Internet column select the item which needs the choice hidden

image-1613587035844.png

At the end of the text add '{-3}' this will hide choice 3

image-1613588558569.png

Then in the other options within the same choice add '{+3}' this will show choice 3

image-1613588588185.png

Image not found or type unknown

Once added click 'Finished'

image-1613148334165.png

Image not found or type unknown

And ‘Finished’ again

image-1613148336966.png

Image not found or type unknown

And 'Exit'

image-1613148262170.png

Image not found or type unknown

If you have Online Ordering with us it will ask you to ‘Upload Menu to Website’

image-1613148605714.png

Image not found or type unknown

If so click ‘Yes’ to upload

image-1613148727380.png

Image not found or type unknown

And 'Main Menu'

image-1613588916403.png

Image not found or type unknown

Once uploaded to the website go and check the item. Here you can see 1/2 Roast Chicken is selected

image-1613642539594.png

Image not found or type unknown

If I select '2 Lemon & Dill Roasted Salmon' you can see the sauces are hidden

image-1613642619902.png

Image not found or type unknown

This means you have successfully hidden the choice.
