Changing the Price for toppings

If you go to management.

image-1613651051209.jpg

Then Occasional Menu.

audit 2.jpg

Then Menus.

Topping Prices 1.jpg

The toppings are priced depending on pizza size so click on a pizza size and then it details at the top right.

The old topping prices are already set there against A, B and C.

Topping Prices 2.jpg

The topping price band is set on each topping. To set these go into Menus.

Topping Prices 3.jpg

Then Toppings at the bottom of the screen.

Topping Prices 4.jpg

Choose a topping and then click the details tab at the top right.

Topping Prices 5.jpg

The price band is set by a dropdown box,
