

Changing the Price for toppings

If you go to management.

image 1613651051209.jpg

Then Occasional Menu.

audit 2.jpg and or type unknown

Then Menus.

Topping Prices 1.jpg and or type unknown

The toppings are priced depending on pizza size so click on a pizza size and then it details at the top right.

The old topping prices are already set there against A, B and C.

Topping Prices 2.jpg and or type unknown

The topping price band is set on each topping. To set these go into Menus.

Topping Prices 3.jpg and or type unknown

Then Toppings at the bottom of the screen.

Topping Prices 4.jpg and or type unknown

Choose a topping and then click the details tab at the top right.

Topping Prices 5.jpg and or type unknown

The price band is set by a dropdown box,
