How to make Cooking Instructions highlighted

On inTouch first go to ‘Management’

image_1622019487142.png

Then ‘Occasional Menu’

image_1622019458429.png

Click on 'Options'

image_1622022065226.png

In the 'Receipt Printer' tab

image_1622022175712.png

Look for the box 'Red Printing'

image_1622022831066.png

Then tick the box 'Cooking Instructions'

image_1622022902481.png

Cooking instructions will now print reversed (Bold). See example of 'No Tomatoes'
