

How to make Cooking Instructions highlighted

On inTouch first go to 'Management'

image1622019487142.png

Then 'Occasional Menu'

image1622019458429.png

Click on 'Options'

image1622022065226.png

In the 'Receipt Printer' tab

image1622022175712.png

Look for the box 'Red Printing'

image1622022831066.png

Then tick the box 'Cooking Instructions'

image1622022902481.png

Cooking instructions will now print reversed (Bold). See example of 'No Tomatoes'
