

# How to make Cooking Instructions highlighted

**On inTouch first go to 'Management'**

image1622019487142.png

**Then 'Occasional Menu'**

image1622019458429.png

**Click on 'Options'**

image1622022065226.png

**In the 'Receipt Printer' tab**

image1622022175712.png

**Look for the box 'Red Printing'**

image1622022831066.png

**Then tick the box 'Cooking Instructions'**

image1622022902481.png

**Cooking instructions will now print reversed (Bold). See example of 'No Tomatoes'**
